### AVA Event bank Help

The event bank is an account to provide a way for you to quickly pay a club for events, donations and other items. The account is managed by the American Volkssport Association.

**There are four important points:**

1. THERE ARE NO REFUNDS! You are purchasing digital goods that are immediately available for download.
2. The credit card fees are paid by you so that we are able to pass the full event credit to the club.
3. Unused event credit never expires.
4. Event credit cannot be moved from one account to another. It can only go to a club or the AVA.

**Contact information:**

American Volkssport Association

**Your Event Bank balance is \$30.00**

Since you are using this money for event credit, it might be worth doing the math and enter a amount for a specific number of events. We strongly recommend that you only put in whole dollar amounts.

All amounts are in USA Dollars.

## Step 2

This screen is self-explanatory and offers several different options to find a walk close to home or on your travels.

Let's see what "Search by state" and choosing "Nebraska" brings up.

The screenshot shows the MyAVA website interface. At the top, the logo "MyAVA" is followed by the tagline "Fun, Fitness, and Friendship". To the right are links for "My Account" and "Logout". Below the header is a navigation bar with buttons for "Up", "Club", "Event", "Tutorial", "Video", "Sp. Prog", "Document", "Graphic", and "FAQ". The main heading is "Find an event". Below this are four search options: "Search by state", "Search using a map", "Legacy Event Search", and "Traditional Events". A search input field is present with the instruction "SEARCH: Enter at least two characters to match the event name or city." and a "Clear search" button. The page contains detailed instructions for each search method: "Search by name", "Search by map", "Search by state", "Legacy Event Search", and "Traditional Event List".

**Find an event**

Search by state Search using a map Legacy Event Search Traditional Events

**SEARCH:** Enter at least two characters to match the event name or city.  Clear search

**The search results will appear here.**

**How to search for an event:**

**Search by name:** Use this page to search for an event if you know something about the name or the city. Two or three characters may be enough. 'ze' will find 'Zelienople', but also 'A maze of trails', and 'Hazel Dell'.

**Search by map:** Click on 'Lookup using map' if you know roughly where the event is geographically, or you want to find events at your destination.

**Search by state:** Click on 'Lookup by state' if you know the state that hosts the event, then you have the option of filtering the events to find specific types of events. The filter is comprehensive and allows you to narrow down to what you want. There are a lot of 1A traditional events with a 5K option if that is what you feel comfortable with.

**Legacy Event Search:** This link will take you to the "legacy" AVA event search if you wish to continue using it. It is not very phone friendly, but does support searching for special programs. Please note that these old listings will disappear by the end of 2020 as sanctioning will no longer occur on that system.

**Traditional Event List:** This link will take you to a new AVA event search page that will allow you to list all Traditional Events that are currently sanctioned by the AVA. This page gives you several options for the period of time to be displayed; 7 days, 31 days, and 365 days. It also allows you to select the area of the country for which you want the the events displayed. You can select ALL AVA regions (the entire country), or an AVA region that you are interested in. Once you have selected the region of interest, the states that make up that region are also displayed. You may further hone in on your region of interest by deselecting the states that do not interest you.

## Step 3

This shows all 17 events currently set in Nebraska. You may wish to use the “Filters” area to narrow down your choices.

Please note that “Traditional Events” are not on the OSB system and that **“Event Bank” money cannot pay for those events.**

Look for the brown “OSB” letters to find Online Start Box events.

“PSB” means there is an available Physical Start Box.

The screenshot shows the MyAva website interface. At the top, there is a navigation bar with the MyAva logo and the tagline "Fun, Fitness, and Friendship". To the right of the logo are links for "My Account" and "Logout". Below the logo is a secondary navigation bar with buttons for "Up", "Club", "Event", "Tutorial", "Video", "Sp. Prog", "Document", "Graphic", and "FAQ".

The main content area is titled "Available events in Nebraska". It features a "TOP" button, a "LIST STATES" button with left and right arrows, and a "Nebraska" heading with a sub-link "Click on View to see the sanction".

Below this is a "Filters" section with two tabs: "Hide filters" and "Filters off". The "Filters off" tab is active, showing a grid of filter options:

- Traditional events (checked)
- Seasonal / YRE (checked)
- Events now / soon (unchecked)

The events are listed under two categories: "2021 TRADITIONAL EVENTS" and "2021 SEASONAL EVENTS".

## Step 3 (continued)

Our club is working to make all our Seasonal and Year Round Events with a PSB also available by OSB. You only need to register and pay once.

If you plan to drive to the Start Point and register with the PSB, **DO NOT register again** with the OSB. You cannot use OSB "Event Bank" money to pay for PSB registration.

If you plan to register via OSB, **DO NOT** drive to the place where the PSB is located and **register again**.

This is the “Omaha, NE – Hanscom Park” walk, which is a year round event. It also has both OSB and PSB options.

It’s a 15-minute drive from the location of the PSB to where you actually start walking.

We’re going to use this walk as our example for how to register using OSB.

Click on the blue “Register on OSB for the event” box.

The screenshot shows a website interface for event listings. At the top, there is a navigation bar with links: Up, Club, Event, Tutorial, Video, Sp. Prog, Document, Graphic, and FAQ. Below this is a section titled "Events in a state" with buttons for TOP, LIST STATES, and LIST EVENTS. The main content area displays details for an event with SN: 116692 - 2021 / Y0476. The event description states: "Hanscom Park is the first in Omaha, developed in 1889. Experience the Field Club Historic District, containing many historic homes, and Gerald Ford birth site and its beautiful gardens." There are buttons for "View legacy listing", "Hosted on the Online Start Box (OSB)", "Help for OSB", and "Register on OSB for the event". The event is categorized as "WHAT IS THE EVENT" with the title "Hanscom Park" and subtitle "Year Round Walk". A photo of the park is shown with a "1 / 2" indicator and a "Hanscom Park" caption. Below the photo, it says "WHERE IS THE EVENT" with "Omaha, Nebraska" and "Douglas County". A note mentions: "This event has a physical start box (PSB) as well as being hosted on the Online Start Box (OSB). The address/location to the PSB for mapping services such as Google or Siri is as follows: Comfort Inn At The Zoo, Omaha, Nebraska". On the right side, under "REASONS TO DO THE EVENT", there are sections for "Special programs" (stating no special programs are assigned), "Long description" (describing the walk route and facilities), "CONDITIONS FOR THE EVENT" (Distance: 5K & 10K, Rating: 2A; Restrooms: Yes; Strollers: Hard; Pets: Yes; Wheelchairs: Hard), "Comments" (None provided), and "Awards and fees: IVV Credit Only". At the bottom right, under "HOW TO GET TO THE EVENT", there is a section "OSB - First register for the event" with detailed driving directions: "The detailed location of, and driving directions to, the event starting point are included in the event directions, downloaded from the Online Start Box (OSB). To plan your travels, please use the map on this page. The POC does not provide event directions nor accept alternate payment methods." This page allows you to register yourself and others who will do the event with you. Typically, other people will be a spouse or your minors, but, they can be anyone who has signed the waiver. To register other people, they must be connected to your account, much like friends on any social media site. You do this by connecting to people using the 'My Connections' page in your account profile. This must be done in advance of going to the finish table. You can edit the registration at any time prior to completing the event.

Select the individuals that you wish to register. You may also select 'NC' (no credit) for any person not wishing credit and a stamp. This system conforms with laws that require a free option. Select 'NC' if this is appropriate, but note that no credit is given.

Once you register you will be able to download the directions. The 'Purchase Maps' tab accomplishes the same thing. You will receive a map credit coupon either way.

You will have the opportunity to edit the registration in the event that someone joins the group at the last minute, or someone drops out. Payment for credit is made at the finish table.

## Step 6

This step allows you to double-check that you're signing up for the right walk and for the right people.

The screenshot shows the MyAya website interface. At the top, the logo "MyAya" is followed by the tagline "Fun, Fitness, and Friendship". To the right are links for "My Account" and "Logout". Below the header is a navigation bar with buttons for "Up", "My Books", "My Event Bank", "Registration", "Directions", "Finish Table", and "My Insert Cards". The main content area is titled "OSB Event registration" and contains a pink message: "Please confirm registering the following people for this event." Below this, the event details are listed: "Omaha, NE", "Hanscom Park", and "116692 2021 / Y0476". A checkbox labeled "Nebraska Trailblazers" is checked. At the bottom of the form are two buttons: "Confirm" and "Cancel". A yellow dashed arrow points from the text on the left to the "Confirm" button.

## Step 7

You must have enough money in your “Event Bank” to cover the cost of registration for yourself and anyone else that you’re registering!

To cancel this registration, click “Done” and on the next page “Edit this registration” and choose “Delete”.

The screenshot shows the MyAya website interface. At the top, the logo "MyAya" is followed by the tagline "Fun, Fitness, and Friendship". To the right are links for "My Account" and "Logout". Below this is a navigation bar with buttons for "Up", "My Books", "My Event Bank", "Registration", "Directions", "Finish Table", and "My Insert Cards". The main content area is titled "OSB Event directions" and includes a "Help" button. The event details are: "Omaha, NE", "Hanscom Park", and "116692 2021 / Y0476". A pink error message states: "Your event bank balance (\$0.00) is too low to purchase the directions at this time." A "Done" button is located below the error message.

The coupon is a free item that you get when ever you buy a set of directions. It is used to offset the cost of the event credit, so that event credit is still \$3.00, instead of \$3.00 + \$2.00 after downloading the directions. So this free coupon has a value of \$2.00 for a limited time.

The coupon is specific to an event and is automatically applied the next time you complete that event. The coupon use can span a year boundary.

**WARNING:** The coupon is free, but it expires in 60 days or when you use it.

Coupons are not transferable to another individual. Your coupon is issued to you alone.

A single coupon is issued per paid download. This also gives you the right to download the same directions again, while the coupon has not expired or been used.

Coupons can only be used to offset the cost of an event. They cannot be used for awards or other merchandise.

## Step 7 (continued)

Your Event Bank balance is now lower by \$2.

You can download the directions again through the expiration date of the coupon, shown in green here as 5/30.

You can also go back and delete the registration for this walk and choose another OSB walk, using that same coupon.

Now, go walking!

The screenshot shows the MyAva website interface. At the top, the logo "MyAva Fun, Fitness, and Friendship" is on the left, and "My Account Logout" is on the right. Below the logo is a navigation bar with buttons for "Up", "My Books", "My Event Bank", "Registration", "Directions", "Finish Table", and "My Insert Cards".

The main content area is titled "OSB event directions" and includes a "Help" button. A message states: "The directions / maps cost \$2.00. You receive a download and a coupon. To learn more about the coupon, please read the HELP (upper right). You may download any available directions at any time." To the right, it says "Your event bank balance is \$28.00" and "If you have a valid, unexpired coupon for the event, it is free to download the directions again." Below this, a pink message reads: "Downloading the directions on this page does not automatically register you for the event."

A section titled "You have coupons for:" lists a coupon for "Omaha, NE - Hanscom Park" with a "View" button, a walking icon, "5, 10K Rate: 2A", "COUPON Exp: 5/30", and a "Download" button. A yellow dashed arrow points from the text "shown in green here as 5/30" to the expiration date "5/30".
